THOR

IGNITE YOUR PASSION

For over 50 years, THOR has been providing riders with products that are built to perform at the highest level. On the toughest tracks, under the most extreme conditions, and under the most intense pressure, our racewear, helmets and hard goods have proven time and again that they are up to the task. As we continue to raise the bar for others to follow, we never waiver in our relentless drive to build products that don't just meet your expectations, they exceed them.

PRIME_PRO

PERFORMANCE PERSONIFIED

Every stitch of PRIME PRO racewear was designed with intent and purpose. Utilizing premium materials and detailed craftsmanship, PRIME PRO is our most advanced racewear to date. Built around the notion that unrestricted mobility, minimal weight and athletic fit all allow the rider to work more efficiently with the motorcycle, PRIME PRO is designed to reduce interference between man and machine. From concept to creation, PRIME PRO was developed with insight and testing from our elite riders to deliver next level performance.

PRIME_PRO

EVERYTHING YOU NEED, NOTHING YOU DON'T

PRIME PRO JERSEY

- Hybrid fit with set-in style tailored sleeves
- Taped collar and cuffs
- Minimal seams for maximum comfort
- Fully ventilated arms and back panel
- Moisture wicking material keeps you dry
- Tail silicone print helps keep jersey tucked in
- Flat-stitched seams minimize irritation

PRIME PRO PANT

- Ultra lightweight pre-curved chassis design
- Inner compression short
- Abrasion tolerant Poly/Spandex blend
- Premium grade full grain leather inner knee panels
- Inner knee panel with aramid fibers to reduce knee-brace wear
- Engineered small expansion stretch panels on waist
- Strategically placed vented mesh panels
- Laser cut holes for ventilation
- Inner waist silicone band
- Interior hip pocket (easily removable)
- Ratchet style waist closure

MAIN BENEFITS AND TECHNOLOGY

FEATHERWEIGHT DESIGN

With the goal of reducing constraints on the rider, we've minimized seams and maximized the use of durable, lightweight materials. The result is an extremely lightweight kit that increases efficiency so you get the most out of your motos.

COMP SHORT

Out with the old, in with the new. We said goodbye to the mesh liner and replaced it with a removable comp short for enhanced support and reduced interference within the pant.

FULL FLEX

Motocross is far from static; it requires almost constant motion on the motorcycle. To promote this process, we've incorporated an insane amount of flex into PRIME PRO, including our nearly weightless front and rear stretch panels.

ATHLETIC CUT

Don't be a victim of baggy cumbersome racewear. PRIME PRO utilizes an athletic cut to minimize flap, drag and bunching, while providing enhanced support. Utilizing a combination of overlock, taped and flatlock seams we've minimized irritation at key touch points while retaining structural integrity.

DURABLE CONSTRUCTION

You need pants that you can count on. Our full grain leather knee panels are backed with aramid fibers to reduce knee-brace wear on the pant. Combined with an abrasion tolerant poly/spandex chassis, PRIME PRO delivers next level performance without sacrificing durability.

FREE FLOW

Don't let the heat get you down. The PRIME PRO pant utilizes laser cut holes on the thigh while the jersey features fully ventilated arm and back panels for enhanced airflow.

OFF ROAD, ON POINT

Our Off-road line is as rugged as it is versatile. Tested and developed with our elite Off-road team, each product is purpose built to take on the elements while providing performance and solid durability. Whether you're carving virgin single track, or taking to the open desert, our Off-road gear is up to the test.

TERRAIN GEAR

Exploration is in your blood, and we get that. The TERRAIN collection provides the key to charting your next adventure. Purpose-built pants, jerseys and jackets are designed to provide fit and comfort for long days in the saddle, with modular features to promote air flow, reduce water intrusion and help to bring along your trail essentials. The adventure awaits, dress accordingly.

GRIP IT AND RIP IT

The glove is the most critical point of contact between man and machine. With this in mind, we've designed every glove in our line to interact flawlessly with the motorcycle and deliver precise control. Our seven distinctly different gloves cover everything from lightweight minimalism, to heavy-duty coverage. MX track, trail or any dirt in between, we got you covered.

JUSTIN COOPER | REBOUND GLOVE

REBOUND GLOVE

Control meets coverage with the fully re-designed REBOUND glove. The chassis incorporates a four way stretch Airprene backhand, along with injected rubber panels for the perfect balance of coverage and mobility. Add in the padded Clarino® palm, and you have one of the most dynamic gloves on the market.

- Direct inject rubber backhand panels
- 4-way stretch, layered and breathable backhand materials
- Arched cuff with notched wrist opening for easy access
- Perforated Clarino® palm with overlays for durability
- Hook and loop wrist closure for a secure fit
- Mesh finger gussets for breathability
- Wrapped inner-thumb for durability
- Silicone treated finger tips for improved lever control

AGILE GLOVE

Anything less would be gloveless. The all-new AGILE glove sets the standard for minimalist gloves. With a fully ventilated featherweight chassis design and a single layer perforated palm, the AGILE provides premium cooling and precise feedback from the motorcycle, making it the new "go-to" for many of our professional athletes.

- Featherweight chassis design for total mobility
- Fitted and ventilated stretch backhand material
- Fully perforated palm for airflow
- Extended, angled slip on cuff for easy access
- Silicone treated finger tips for improved lever control
- Wrapped inner-thumb for durability

MARVIN MUQUIN | AGILE GLOVE

DRAFT GLOVE

The DRAFT glove maintains the minimalist feel, but features a more substantial chassis. A silicone print on the backhand improves the structure of the DRAFT glove, while the four-way stretch mesh enables flexibility and ventilation.

- 4-way stretch materials for optimum mobility
- Venting mesh throughout backhand
- Perforated palms
- Silicone pattern print on backhand
- Notched wrist opening provides ease of access
- Silicone treated finger tips for improved traction
- Hook and loop wrist closure system
- Single-layer palm
- Rubber details for added structure

INVERT GLOVE

The INVERT glove takes everything you knew before and turns it inside out. An inverted seam means that all of the bothersome seams that were inside of the glove are now on the outside, which creates an unbelievably comfortable fit.

- Inverted seams throughout for ultimate comfort
- 4 way stretch backhand
- Fully perforated palm
- Hook and loop closure system
- Notched wrist opening provides ease of access
- Mesh finger gussets for breathability
- Silicone treated finger tips
- Wrapped thumb and gripping points

GRAVITY IS REAL, GET SOME COVERAGE

Debris is a reality that anyone riding in the dirt will face at one time or another. Flying rocks, sticks, mud, it's all out there and preparedness is paramount. Our SENTINEL, GUARDIAN and SENTRY products carry the PPE (Personal Protection Equipment) certification symbol so you are assured that critical testing requirements have been met. Look for this symbol when choosing protective products.

SAFETY WARNING:

Riding a motorcycle is a dangerous activity. When riding, always wear a helmet, eye protection and protective clothing. There is no assurance that serious injury or death can be avoided even if you wear the product shown in this catalog and take all the precautions to avoid every risk. Please ensure that your THOR products fit properly. Improperly fitting products can impair your ability to control your motorcycle.

SENTINEL GP

- Stone shield chest panel constructed with molded panels to protect the rider from lofted small stones and debris / Level 1 back protector constructed to reduce impact energy transmission

Hallman

C O L L E C T I O N

Founded in 1968 by four-time World Motocross Champion, Torsten Hallman, Hallman Racing is America's first motocross racewear brand. Torsten, a true original, was one of the men who introduced motocross to the U.S. and revolutionized everything from the way we ride, to what we wear. Realizing the American racer's potential, Torsten saw the need for quality motocross gear so he began importing pants, jerseys and gloves under the brand name Hallman Racing, or THOR (Torsten Hallman Original Racewear). We are proud to celebrate over 50 years of racing heritage with the new Hallman Collection by THOR. Authentic in every aspect, The Hallman Collection is inspired by the roots of the brand and offers timeless style for all things two wheels.

THE FIRST. THE FOREVER.

JEREMY MCGRATH | HALLMAN HEATER JERSEY

HALLMAN HEATER JERSEY

- Set in style sleeves for versatile fit
- Moisture wicking material keeps you dry
- Four-way stretch panels in cuffs and collar
- No-fade sublimated graphics
- Heat transfer neck label

HALLMAN HOPETOWN JERSEY

During the formative years of American motocross, two-strokes ruled and the hills of Southern California were our collective playground. The HOPETOWN jersey returns motocross to these roots in a timeless streetwear style.

- Set in style sleeves for versatile fit
- Moisture wicking material keeps you dry
- Four-way stretch panels in cuffs and collar
- No-fade sublimated graphics
- Heat transfer neck label

HALLMAN RINGER JERSEY

The RINGER jersey harkens back to the earliest days of Hallman Racing apparel; a time when colors were conservative and the simplicity of a strong set of stripes was considered “flashy”. Whether vintage racing or bench racing, this jersey redefines legitimacy.

- Set in style sleeves for versatile fit
- Moisture wicking material keeps you dry
- Four-way stretch panels in cuffs and collar
- No-fade sublimated graphics
- Heat transfer neck label

HALLMAN DIGIT GLOVE

In an excellent fusion of modern moto and vintage styling, our DIGIT gloves feature the classic look of the Hallman original, with enhancements that ensure comfort, a secure grip and plenty of ventilation.

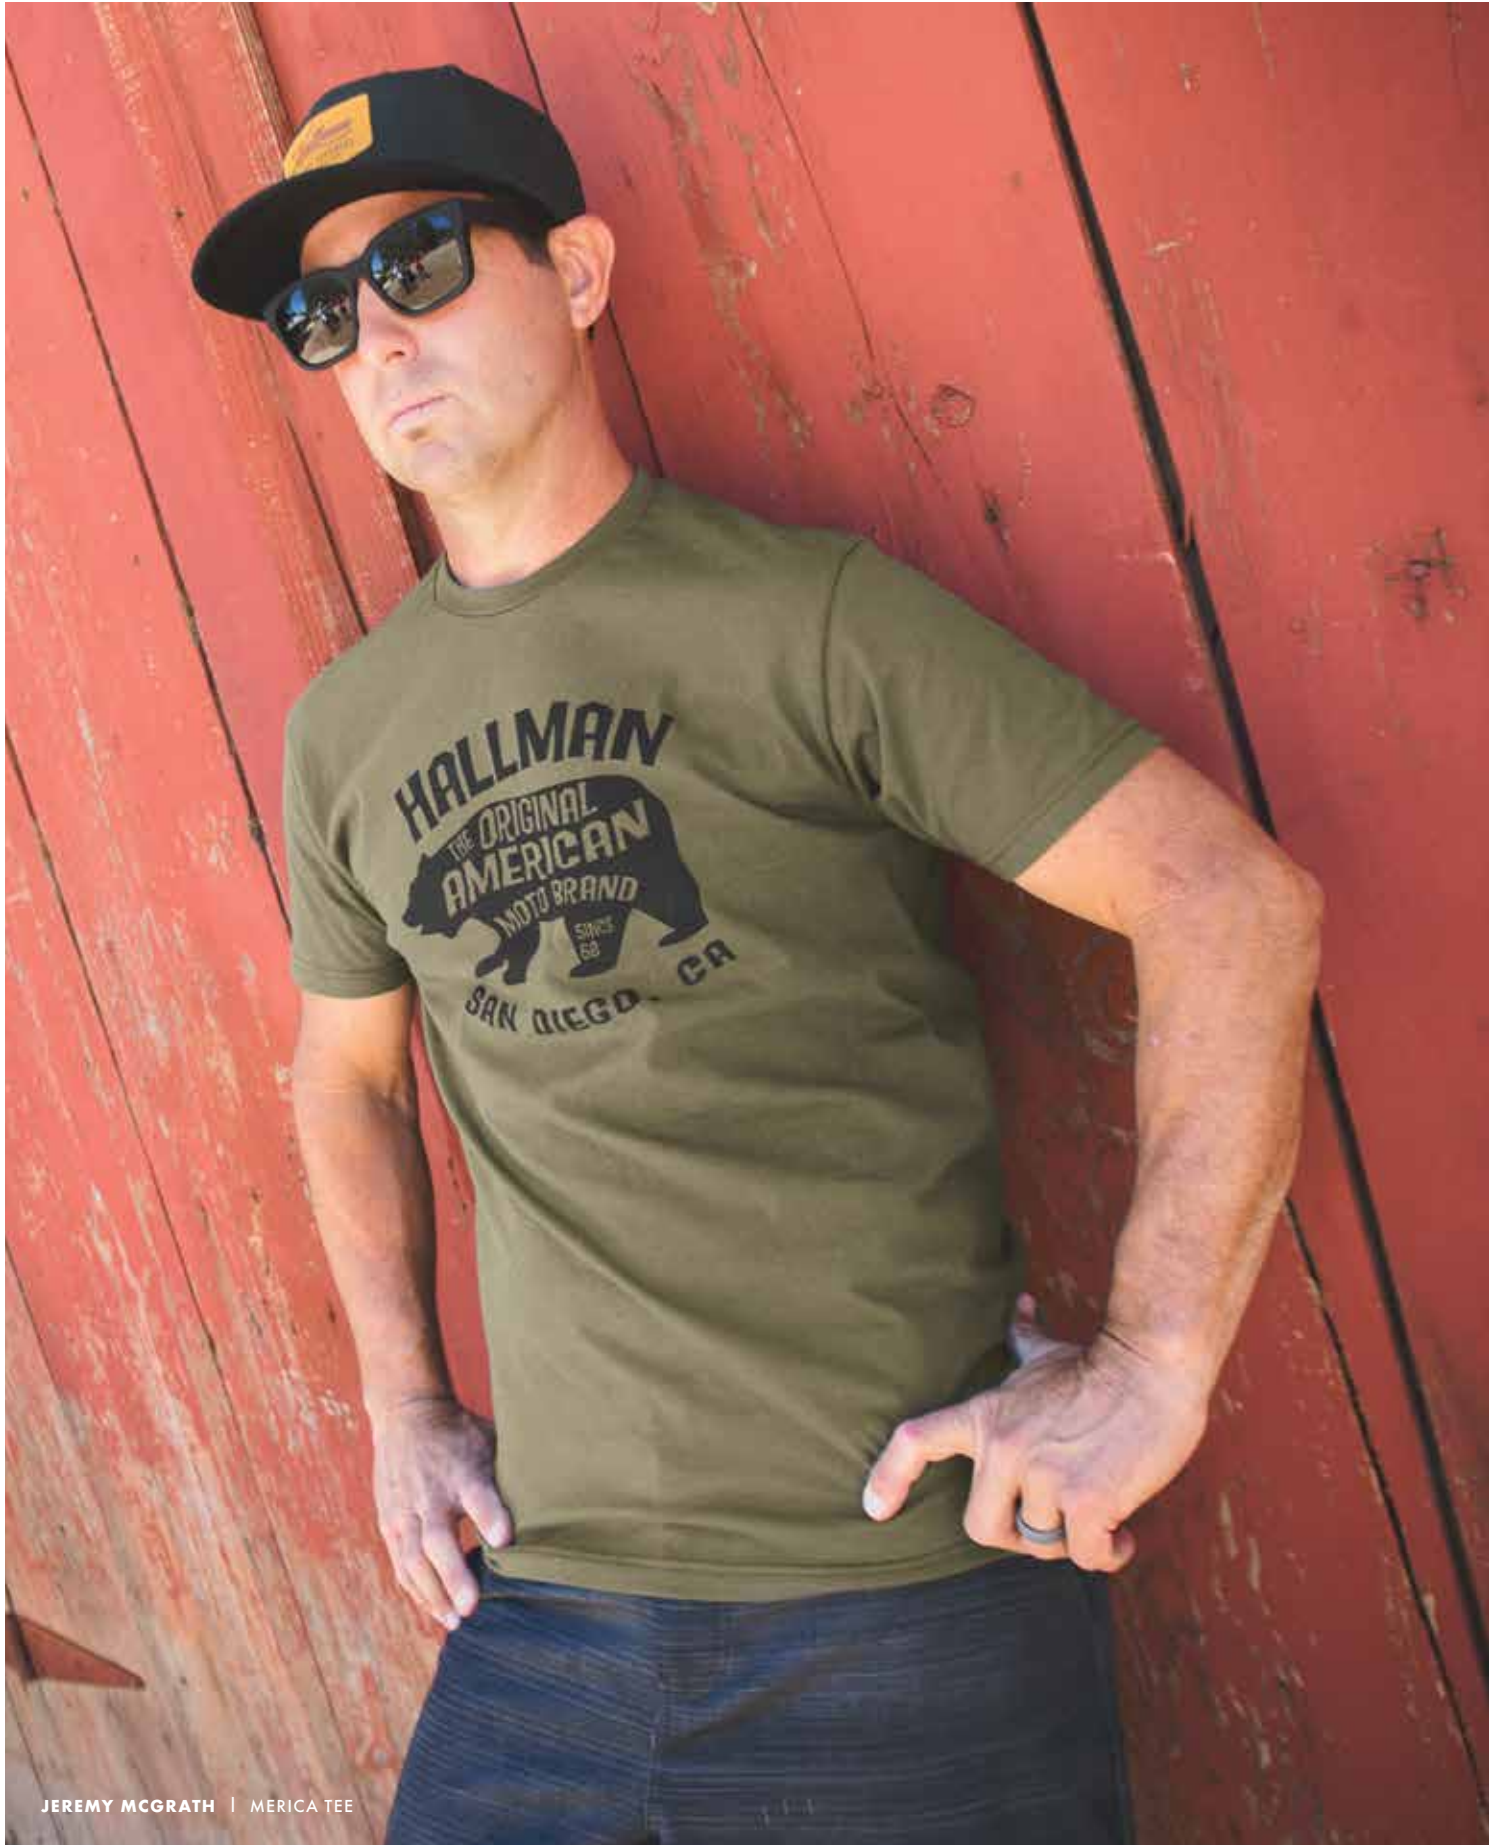

- Vintage inspired MX glove
- Vented goat skin panel and foam knuckle coverage
- 4-way stretch mesh panels allow full range of motion
- Vented mesh backhand and perforated palms
- Hook and loop wrist closure for secure and custom fit
- Silicone treated finger tips for improved lever control
- Single-layer synthetic leather palm
